THE PEDAL HAND SANITIZER

Every hand sanitizer dispenser should be as easy to use and maintain as ours.

Available now at **Meridian**

astreea<sup>®</sup>  
AUTHORIZED RESELLER

## Designed for heavy duty use during these challenging times.

Traditional electronic dispensers are fragile and require constant battery and sanitizer pouch changes.

Astreea was engineered to be durable, dependable, and high-capacity. It's pedal activated and can be refilled with any hand sanitizer product in less than one minute.

[View Intro Video](#)

## Built to last beyond the pandemic.

Developed by a European aerospace manufacturer, Astreea meets the highest engineering and quality standards.

Each dispenser is precision-crafted from medical-grade stainless steel using state-of-the-art laser cutting machines. After assembly and welding, finishing touches are completed by hand.

We're so confident Astreea will stand the test of time, we back it with a **lifetime warranty**.

## See what makes Astreea so different.

1

Fully mechanical and pedal operated.  
No batteries or maintenance required ever.

2

Easy to refill. Just remove the top plate and  
add any gel or liquid sanitizer product.

3

Laser-cut reservoir window provides a  
convenient way to check sanitizer level.

4

Incredibly durable and weatherproof, making  
it ideal for any indoor or outdoor space.

5

Arrives fully assembled. Remove it from the box  
and use the optional bolt points to secure it to the floor.
