

Digital Press Operator

Meridian is adding a full-time person to our growing Production Team-as a Digital Press Operator, you'll be able to show off your impeccable quality standards and attention to detail in a new, modern, state of the art production facility. If you are looking for a supportive, fun and rewarding culture that fosters both innovation and engagement-this role is definitely for you! This position is responsible for all aspects of operating the latest, most advanced, digital printing equipment to production and quality standards. The operator is responsible for operating more than one piece of digital press equipment, including maintenance and troubleshooting.

This role is a full-time, in-person position with ability to commute/relocate to our office in Loves Park, IL 61111. Benefits include Health, Dental, Vision and Life Insurance and 401k package.

REQUIRED CORE COMPETENCIES

- Proven Quality Control standards
- Properly execute pressroom Safety Procedures
- Excellent organizational skills and attention to detail

WHAT YOU WILL DO

- Operate multiple digital print equipment and the software necessary for print operations
- Complete jobs according to customer specifications in a timely and accurate manner
- Monitor production output throughout the run for quality
- Perform routine maintenance on equipment to ensure optimal printing conditions
- Ensures materials for the job are in stock and available for production
- Properly document production information to account for all labor and materials consumed on a job
- Maintain a clean and organized work area
- Take personal responsibility for productivity, quality, and timeliness of work
- Work overtime as needed
- Other duties as assigned

WHAT WE LOOK FOR

- Ability to operate or to quickly learn to operate various digital equipment and related software.
- Ability to follow specifications
- Drive continuous process improvements

Meridian is an evolution of over 40 years in industry experience along with cutting edge, user-friendly technology. This combination of integrated services gives us the ability to provide an array of solutions to a diverse customer base.
